Canterbury

England's most famous Cathedral city, Canterbury is home to two universities with 20,000 students. There are many busy cafes and a modern shopping centre; you will

really enjoy this city whether you're here for 2 weeks or 2 months!

2 major European capitals are within easy reach (London - St.Pancras 55 minutes; London - Victoria 90 minutes; Paris Gare du Nord 2.5 hrs). Canterbury welcomes almost 3 million visitors each year and there's always something to see and do.

The Accommodation Residential

The main building is for accommodation and meals are self-service in the oak panelled dining room. Classes take place in a separate classroom block. There are a number of comfortable common rooms with TV and video.

SCHOOL

St Edmund's School was founded over 100 years ago. It is a very impressive building, standing in its own large grounds on a hill overlooking the city, with a wonderful view of the cathedral. The school is very close to the University of Kent, and within walking distance of the city centre.
